## Husqvarna 525DEPS MADSAW

The MADSAW is the industry's first and only dielectric gas-powered pole saw that is individually tested to meet OSHA 1910.269. The MADSAW delivers an extra measure of safety for professionals and can be used in the bucket, in the tree, or on the ground for extreme versatility. The purposeful design allows the pole saw's sections to quickly disconnect for secure storage in a tree care truck or utility vehicle. The MADSAW is more productive than a manual saw and more useful than a hydraulic unit.

Cylinder displacement	<b>25.4 cm<sup>3</sup></b>
Power output	<b>1.36 hp</b>
Length, extended, including cutting equipment	<b>150 in</b>
	<b>\$1,499.99</b>

## Husqvarna 550 XP® Mark II

The second generation of Husqvarna's 550 XP® chainsaw is ready for demanding use in felling, limbing and bucking operations. The saw delivers maximum power in the 50cc class. Designed for professional forestry and tree care crews, this durable saw has improved power and a slimmed-down design.

Cylinder displacement	<b>50.1 cm<sup>3</sup></b>
Bar Length (inch)	<b>16"</b>
Recommended bar length, max	<b>20 in</b>
Weight (excl. cutting equipment)	<b>11.7lbs</b>

## Husqvarna K 770

The Husqvarna K 770 is equipped with a semi-automatic SmartTension™ system, allowing optimal power transmission, minimum wear and maximum belt life. The light weight, power-to-weight ratio, the reliable start and exceptionally low vibrations mean less strain and maximized productivity, suitable for road work and easy to cut in a straight or curved track.

Cylinder displacement	<b>73.5 cm<sup>3</sup></b>
Blade diameter, max	<b>14 in</b>
Output power	<b>5 hp</b>

**\$1,099.99**

## Husqvarna 540i XP

Husqvarna 540i XP is a powerful and efficient battery-powered chainsaw, equivalent to a 40cc pro petrol saw when fitted with a BLi300 battery. It is ideal for removal of small and mid-sized trees where you need smooth and efficient cuts. The integrated connectivity makes it easy to keep track of usage stats, service history and last known location in the Husqvarna Fleet Services™ app.

Battery voltage	<b>40 V</b>
Bar Length (inch)	<b>16"</b>
Recommended bar length, max	<b>16 in</b>
Weight (excl. Battery & cutting equip.)	<b>6.39 lbs</b>
